

2011 COMMITTEE NOTE

This form is new. It must be completed and attached to a proof of claim secured by a security interest in a debtor's principal residence. The form, which implements Rule 3001(c)(2), requires an itemization of prepetition interest, fees, expenses, and charges included in the claim amount, as well as a statement of the amount necessary to cure any default as of the petition date. If the mortgage installment payments include an escrow deposit, an escrow account statement must also be attached to the proof of claim, as required by Rule 3001(c)(2)(C).
