Note: Weighted filings for 1990 and 1995 were derived from the 1987-1993 district court time study by the Federal Judicial Center (FJC). Criminal filings include reopens and transfers. For 1990 and 1995, criminal weighted filings excluded felony defendants. Civil cases reopened, remanded, or transferred to the district by order of the Judicial Panel on Multidistrict Litigation are excluded.

<sup>1</sup> Authorized judgeships for 1990 - 2011 include territorial courts, although data for these courts are not reflected in the total weighted filings per authorized judgeship. Territorial courts are excluded from the district court case weight studies. For 2012, authorized judgeships exclude territorial courts.

<sup>2</sup> Beginning in 2002, supervised release hearings were included in weighted filing totals.

<sup>3</sup> Twelve-month period ending June 30.
